Missouri Weekly Hay Summary

Warmer temperatures and heavy rains over most of the state this past week now has hay producers and cattlemen fighting mud. This thaw and moisture causing the bottom to fall out of many country roads, making hay movement of any size loads difficult. A few more inquiries on better quality hay this week, but not much activity as most seem to be only price checking for a later date. Hay supply is moderate to heavy, demand light and prices steady. The Missouri Department of Agriculture has a hay hotline available for both buyers and sellers. To be listed, or for a directory, call 1-800-877-4HAY (4429) or visit <http://www.mda.mo.gov/pdf/MOHayDirectory.pdf>.
